Amazing Math Puzzles And Mazes

made puzzles to copy, and distribute them for the other students to solve. My students enjoyed making puzzles so much that we extended the idea even further: We had a Math Puzzle Afternoon for which each student created a puzzle. We made ten copies of each student's puzzle and placed the puzzles in stacks around the room. The students spent the

Multi-Operation Math Maze. In this maze, the path from the entrance to the exit is hidden by math problems. Answer all of the problems correctly, and you find the correct path to the finish. Make a mistake, and you will be led in the wrong direction. Worse, taking a wrong turn could reveal a path of correct answers that eventually dead-ends.
