A nomaly detection refers to a practice in which auditors detect accounting fraud by selecting samples among journal entries, also known as a general ledger (GL), and testing them to ensure accuracy. In a database of 100 million entries, maybe 10 will be cause for concern. This means that highly experienced auditors try and identify the needles in the haystack by sensing where audit risk might ...

So I am currently working as a medical assistant and I have a job interview tomorrow also for a medical assistant position. However, I am working right before my interview and I get off from work an hour before the interview. The place that I have an interview for is about 40 to 50 minutes drive. My question is, do you think it would be okay to wear my scrubs to the interview?
