Restoration literature | English literary period | Britannica

In general, scholars use the term “Restoration” to denote the literature that began and flourished under Charles II, whether that literature was the laudatory ode that gained a new life with restored aristocracy, the eschatological literature that showed an increasing despair among Puritans, or the literature of rapid communication and trade that followed in the wake of England’s mercantile empire.

The British Restoration | English Literature I

The term Restoration literature is often taken to mean the literature of those who belonged, or aspired to belong, to the restored court culture of Charles II’s reign—the “mob of gentlemen who wrote with ease,” as Alexander Pope later put it.

English literature - The Restoration | Britannica

The Restoration Period begins in 1660 A.D., the year in which King Charles-II was restored to the English Throne. England, Scotland and Whales were united as Great Britain. Commercial prosperity and global trade increased for Britain. Literacy expanded to include the middle classes and even some of the poor.

Restoration Period In English History | English Summary

The "Restoration" in Restoration literature comes from a political event (the restoration of monarchy in Britain in 1660) so it's no huge surprise that politics, and political themes, are kind of a big deal in this literary movement. Restoration literature raises big ol' political questions like: What type of government is best for society?

Restoration Literature Characteristics | Shmoop

The Restoration of Charles II (1660) brought about a revolution in English literature. With the collapse of the Puritan Government there sprang up activities that had been so long suppressed. The Restoration encouraged levity in rules that often resulted in immoral and indecent plays.

A Brief History of English Literature | Literary Theory ...

What set the literature of this period going was—history time!—the restoration of monarchy in England in the year 1660. The deal was this: Charles II, who'd been exiled in France, returned to the throne.
