The G20 countries should lead the initiatives for mitigating the global forced migration crisis by devising long-term, effective, inclusive, and humane solutions. G20 represents contemporary global economic and political superpowers, giving it the unique opportunity to assume a leadership role.

The G20 Countries Should Assume Leadership of the Forced ...

Subsequent summits have lacked the same sense of urgency and have failed to deliver any kind of agenda that can be pinpointed as clearly as "saving the global economy." This week's summit in Hamburg, Germany promises more of the same, with the real possibility that the G20's stock could fall even further at the hands of a non ...

G20 | Center For Global Development

G20 needs to do more on inequality, climate and migration 5 September 2016 “The G20 reiterated previous commitments to reduce inequality, boost the participation of women in work and phase out inefficient fossil fuel subsidies. The G20 said they would draw up a proper response to the refugee and migrant challenge next year, which is too late.

global displacement | Oxfam International

Forced displacement across borders due to persecution, conflict or violence. According to UNHCR, the number of forcibly displaced people both within countries and across borders as a result of persecution, conflict, or generalized violence has grown by over 50 per cent in the last 10 years; there were 43.3 million forcibly displaced people in 2009, and the figure was 70.8 million by the end of ...
