History. Learn more about the subject of history, which is broadly defined as the study of past events. Due to the broad nature of the concept, most historians narrow their scope by focusing on a particular time period, a particular country or region, a particular person, group, or individual person, a particular theme, or any combination of those categories.

Movies, nonsense, horror, nonsense, fellas, nonsense. But besides their violent business relationship Peter and Michael are more than just cousins -- when the movie starts they do seem like friends, semi-confidantes, and at that maybe even the brothers of blood referenced in the title: that final note even moreso as the film metes out their family story in scattered flashback.
