There are a few paid-for books though, and there's no way to separate the two

Houston We Have A Problem

"Houston, we have a problem" is a popular but erroneous quotation from the radio communications between the Apollo 13 astronaut John ("Jack") Swigert and the NASA Mission Control Center ("Houston") during the Apollo 13 spaceflight, as the astronauts communicated their discovery of the explosion that crippled their spacecraft.

Houston, we have a problem - Wikipedia

In Houston, We Have a Problem! filmmaker Ziga Virč explores the myth of a secret multi-billion-dollar deal involving America's purchase of Yugoslavia's space program in the early 1960s. This masterfully crafted feature-length docu-fiction is an intriguing blend of reality and fiction that recreates recent history through the prism of conspiracy theories.

Houston, We Have a Problem (2016) - IMDb

Directed by Nicole Torre. With Barry Matthews, John Hofmeister, Paul Taylor, John Schiller. The Oil Barons, Wildcatters, and roughnecks and their long struggle to feed America's ferocious oil appetite. Step inside the oil culture to understand just how the USA became so addicted and why Houston believes we must go "Green" for a secure domestic energy future.

Houston We Have a Problem (2009) - IMDb

When Apollo 13 astronauts Jim Lovell and John Swigert famously said "Houston, we've had a problem," the mission's troubles were just beginning. We've all heard the phrase "Houston, we have a problem," that comes from the ill-fated Apollo 13 mission to the moon. But what most of us don't know is that it's actually a misquote.

Houston, We Have a Problem! (2016) - Rotten Tomatoes

What's the origin of the phrase 'Houston, we have a problem'? 'Houston, we have a problem' is right up there with 'Beam me up Scotty' at the top of the spaceflight-related quotations tree. In fact, both are slight misquotations. John Swigert, Jr. and James Lovell who, with Fred Haise Jr., made up the crew of the US's Apollo 13 moon flight, reported a problem back to their base in Houston on 14th April, 1970.

'Houston, we have a problem' - meaning and origin.

The origin can be traced to the phrase in past tense (" Houston, we've had a problem here ") that was used by the crew of the Apollo 13 moon flight, to report a major technical problem back to their Houston base. The phrase is normally misquoted as "Houston, we have a problem" as in the movie Apollo 13: "Houston, we have a problem".

Houston, we (may) have a problem ... Updated: May 22 I hear from many of my Houston area friends how excited they are that lockdowns have been lifted, and they can return to some sense of normalcy -- people can get their hair done, visit their favorite restaurants (and Houston has some great ones we really miss!), and most importantly many people who have been out of work can go back to work.
