Kill All Enemies

Set in Leeds, England, KILL ALL ENEMIES was one of the most INTENSE YA novels I have ever read. The novel is told by four different narrators, Billie, Chris, Rob, and Hannah (an adult case worker who shares her perspective on the other three). Billie is a young girl who has been forced to grow up way too fast.

How exactly does the Kill All Enemies command work,does it kill all untamed dinos or will it also kill tamed dinos other tribes have tamed? The admin kinda messed with the number of dino spawns,then realized the server couldn't take it so he reduced number of spawns back to normal,but the already spawned ones were till there.So were trying quell the dino count to stabilize the server.
