Flirting is much more than just a bit of fun: it is a universal and essential aspect of human interaction. Anthropological research shows that flirting is to be found, in some form, in all cultures and societies around the world. Flirting is a basic instinct, part of human nature. This is not surprising: if we did not initiate

How German Flirting Differs from the Rest of the World. To start, learning how to flirt in German isn't only about going to Germany and finding the love of your life. In fact, flirting works at home as well, since you can impress someone you know speaks German, or you can even woo your English-speaking significant other or spouse, then tell them the translation later.
