The Law of Peoples -- John Rawls | Harvard University Press

The Law of Peoples is American philosopher John Rawls' work on international relations. First published in 1993 as a short article, in 1999 it was expanded and joined with another essay, "The Idea of Public Reason Revisited" to form a full-length book. Rawls's basic distinction in international politics is that his preferred emphasis on a society of peoples is separate from the more conventional discussion of international politics as based upon relationships between states. It is an attempt to
