— Donella H. Meadows, Thinking in Systems: A Primer. 3 likes. Like "The system, to a large extent, causes its own behavior! An outside event may may unleash that behavior, but the same outside event applied to a different system is likely to produce a different result."

Thinking in Systems Quotes by Donella H. Meadows

Systems Thinking Primer. By Lv Yi on August 31, 2020 9:31 PM. I have written a series of articles that apply systems thinking to explore various organizational design options and change strategies. The goal of this primer is to prepare you for understanding and practicing systems thinking.

Systems Thinking Primer - Lv Yi - Odd-e

When I reread The Fifth Discipline and wrote a book review for it, I found a few references to Donella Meadows and upon further research I found the book Thinking in Systems. The book is odd in that it was published posthumously. The book draft was written in 1993 but was never published. She unexpectedly died in 2001 and in 2008 the book was finally brought to print.
