Winning Balance What Ive Learned

I thought that Winning Balance: What I've Learned So Far about Love, Faith, and Living Your Dreams was a great book. I really loved how Shawn talked about God a lot because I can really relate to her on that. When I read that Shawn had a stalker, I got so scared, even though it was in the past.

"Winning Balance" by Shawn Johnson, the Olympian, is a not an autobiography (her words) but a book about what she has learned so far about love, faith, and living your dreams. In my opinion it is about as autobiographical as you can get. She starts with birth and goes on from there. At the ripe old age of 20 she has done quite a bit of living.
